Signature _____

All applications for the use of temporary power shall conform to article 308 of the NC Administration and Enforcement Requirements Code 2002 Edition.

The responsible agent shall maintain the energized system in a secure and locked manner or under constant supervision to exclude unauthorized personnel.

Under no circumstances shall the building be occupied until a Certificate of Occupancy is issued by the Village of St. Helena Inspection Department.

The Responsible Agent agrees to consent to all provisions of Article 308 of the NC Article extended to remove all power supplied to this building or structure under these provisions when in the sole discretion of the Coe Enforcement Official, such service is no longer consistent with the provisions of Article 308(attached).
